*The Residences at The St. Regis Jakarta won two prestigious awards at the 4<sup>th</sup> annual PropertyGuru Indonesia Property Awards*

- **DEVELOPMENT AWARDS** – *Best Luxury Condo Development (Jakarta)*
- **BEST OF INDONESIA AWARDS** – *Best Condo Development (Indonesia)*

*The PropertyGuru Indonesia Property Awards is part of the regional Property Awards that celebrates the best emerging developers, projects and designs. It has a unique reputation for being credible, fair and transparent, with an independent judging representing all real estate sectors and trusted awards supervisor in every market.*

*“These Awards are given by a very prestigious organization. We treasure and are very thankful to all those who have supported us, especially our esteemed buyers, our friends from medias who has published the development of our property”,*

*- Swanny Hendrarta*

## *Construction Progress*

The construction of the luxury apartments of The Residences at The St. Regis Jakarta is sailing smoothly. It is believed that the luxury apartments of The St. Regis Jakarta will be done according to schedule. It is target to be delivered by the end of December 2020. After the top down construction of the five storey basements, it is now progressing upwards for the upper structure. As of mid-November, the construction of the structure has reached between level 3 to level 4 and is targeted to complete level 9 by the end of this year. Architectural, finishing and MEP services installations are also believed to be finished on schedule. The installation of the facade glass and cladding will commenced in January 2019.

The link passage that connects The Residences at The St. Regis Jakarta to the office tower has also been completed. Linking all the three towers together including the existing hotel that is now under demolition and renovation.

### RESIDENTIAL – SEP 2018

*Most of the ground floor area has already been casted and next will install the rebar.*

### RESIDENTIAL – OCT 2018
